How to enroll in the Online Homework system.

Note: To enroll in the online homework system, WebAssign, you will have to purchase an access code. You may purchase this code from the bookstore bundled with a new book. Or you may also purchase it online for about $35 using a credit or debit card. (It may also be available with used books - but you need to make sure the access code is not used.)

Instructions:

1) Point your web-browser to http://www.webassign.com/

2) Click the small: Log in button on the left side of the page.

3) Click: I have a class key.

4) Enter wichita 2306 9222 as your class key and click: Submit

5) Click Yes, this is my class.

6) Follow the instructions to create a WebAssign account. (Unless you already have one from a previous class.) You will have the option to purchase access online or enter an access code (if you purchased one with your book).
